

Safety tips: Travelling by car

Everybody knows Italians are very fond of their cars; they are glad to use them, especially when going on holidays. Brand new cars are now equipped with high performance safety accessories, nevertheless **the driver's attitude** plays a vital role in guaranteeing everybody's safety.

Consult our tip section and online guides dedicated to car travellers, containing useful instructions on the checks to be carried out on your car before leaving, as well as road traffic information, emergency numbers and more.
