

Young people and drug addiction: Our safety tips

Parents play an important role in protecting their children from drug abuse. They should set a good example to their children and **make them aware of the dangers**.

Thus, parents are on the front line in the war against drugs. Unfortunately, **not all of them realize the importance of their role**.

"My father was always busy", tells a boy. "He didn't talk to us very much. We didn't receive any advice concerning drugs".
