

## **Psychological violence**

The intentional conduct that impairs a woman's psychological integrity and self-esteem.

It can occur before and/or in combination with physical violence for the purposes of enhancing control over a woman through fear and humiliation.

Threats of physical violence.

Isolation or confinement.

Morbid jealousy and possessiveness.

Denying the resources required to satisfy basic needs.

Intimidation, defamation, humiliation.

False allegations, blaming.

Ignoring or ridiculing a woman's needs.

Lying, undermining a woman's confidence.

Reckless driving and/or abandoning a woman in dangerous places in order to scare her.
