Buying a calendar is simple:

1. Choose your preferred format and the desired number of items
2. Calculate the total cost by summing up each item
3. Fill in a postal paying-in slip - account number 745000 - payable to “*Unicef comitato italiano*” (Unicef Italian Committee)
4. Write “*Calendario Polizia di Stato 2013 progetto Unicef Tanzania*” (2013 Calendar of the Polizia di Stato – Tanzania Unicef Project) as reason for payment
5. Make the payment
6. Show the payment receipt to the Public Relations Office of your police headquarters (Questura), specifying the type of calendars ordered (e.g. 2 planners, 1 wall calendar, etc.)

Then the Questura will tell you when to collect your calendar.

Last year’s sales raised the sum of €240,000 which was donated to Unicef to fund the Cameroon project to reduce child malnutrition.
